Maria Nata.

Quæ nulli fœcundus erat, Tibi germinat uni,
Et sterilis Ioachim desinit eſse thorus.
Nasceris, O Virgo. Fœcundæ cedite matres:
Hæc pariet mundum, dum paritura Deum est.

Effigies B^mæ Virginis, sine labe conceptæ, in aula
Lycei Frisingensis PP. Benedictinorum propitiæ.

Quo non Pæstanæ dulcior aura rosæ!
Cui violæ cedant, cui lilia: nomen amœnum!
Stella Maris, salve: Virgo Maria, fave.

Sese omnem Domino tradere prompta suo.

Maria in Ægyptum fugiens.

Num quia perſequitur patria? Nilus amat.
Barbara terra teget? teget: eſt, cur regia vitem
Tela: at cur metuam te, crocodile, nihil.

In Cælis coronata.
